

Clean Air Partners' Purpose

Clean Air Partners was founded by the Metropolitan Washington Council of Governments (COG) and the Baltimore Metropolitan Council (BMC) to:

- Serve Northern Virginia, the District of Columbia, and Central Maryland (the “Baltimore-Washington Region”).
- Provide leadership in educating the public about voluntary actions to improve the air in the Baltimore-Washington region, including educating the public about the health effects of air pollution and the environmental effects of greenhouse gases.
- Strive to motivate individuals, businesses and employers to take efficient and effective voluntary actions that will improve air quality in the Baltimore-Washington region.
