Clean Air Partners Board of Directors Meeting

Education Program Updates
Elizabeth Spike
Education Program Manager
September 18, 2025

How can we educate students to transform awareness of air quality and climate change into personal actions that protect their communities in the Baltimore-Washington region?

Objective: Promote the use of *On the Air* curriculum. (FY 2023 Work Plan)

Activity

Target CAP participating member school systems, charter, private, and independent schools in the District of Columbia, Maryland, and Northern Virginia.

Build relationships with stakeholders in public, charter, private and independent schools, school districts, and teachers of grades 5-12 across the BW region to create legacy and longevity for the CAP's Education Program.

Develop evaluation tools to conduct a needs assessment and gauge the extent of promoting the *On the Air* curriculum and **Train-The-Trainer** model in the BW region.

2025-2026 Lead Teacher Learning Community

50 individuals signed up for an information session Feb-June 2025

20 applied and 17 Lead Teachers were trained Summer 2025 255 summer training contact hours;130 check in forms; A lot of feedback on activities

2025-2026 Lead Teacher Learning Community

Grade Level:
47% High School
42% Middle School
11% Elementary School

Teaching Experience:
5-10 years 38%
10-20 years 31%
>20 years 31%

Per National Center for Educational Statistics, 56% teach in a Title 1 School

2025-2026 Lead Teacher Learning Community

Subjects Taught:
Bio/Life
Enviro Sci
MS Science

Subjects Taught:
Earth Sci
Chemistry
Physics
ELD

Both CC and AQ: 59%
CC only: 18%
AQ only: 12%
Neither: 12%

Experience with Professional Learning Communities:

Weekly Planning

Science Fair

STEM

Curriculum and Instruction

Earth Day

District-wide Professional Development

National Board Certification

Motivation to join the LTLC:

Passion for Environmental Education and Action

Professional Knowledge

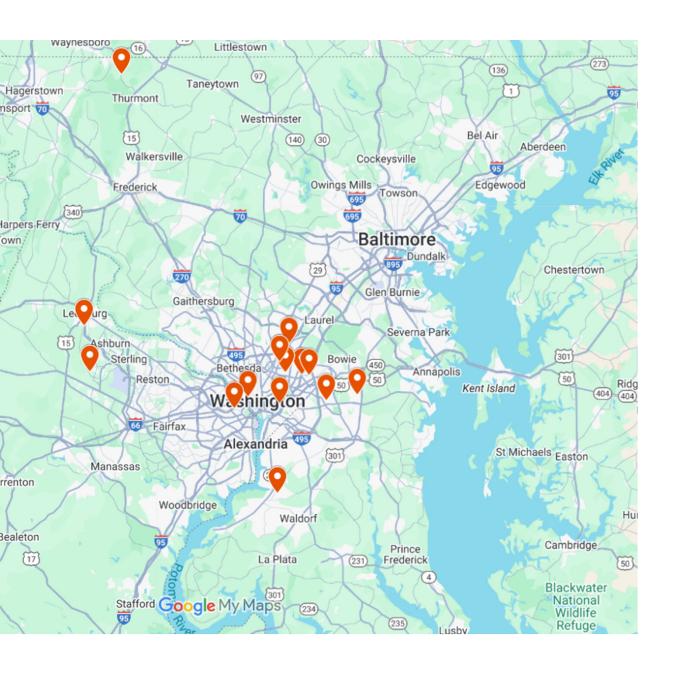

Best Practices/New Strategies

Aligns with Curriculum/Curriculum Needs Updates

Collaboration/Peer Learning
